

ADVANCED MEDICAL INTERPRETING

2 DAY WORKSHOP FOR ASL AND SPOKEN LANGUAGE INTERPRETERS

If you've been working in healthcare for years or just curious about how this all works, come learn the inside tips and tricks for success working in health care settings. There is something for everyone!

This workshop will break down the interpreting process from start to finish for medical settings. Highlighted topics include: preparing for a medical assignment, doctor's office vs hospital settings, breaking down medical terminology & medical questions, the art of "giving report", HIPAA considerations for interpreters, medical ethics, Universal Codes, Informed Consent, avoiding infection exposure, PPE, interpreting in the operating room & near a sterile field, strategies when medical assignments involve legal, mental health, child services or palliative care issues.

When: Friday, January 18, 2019 – Saturday, January 19, 2019

Where: MUSC Community Training Center 1 South Park Circle, Suite 300, Charleston, SC 29407

Time: 8:30 AM – 5:30 PM (1-hour lunch break - Lunch on your own)

Early Bird Pricing (Both Days): \$100.00 (until 12/26/18) | **Full Price (Both Days):** \$150.00

One Day Pricing: \$75.00 and you can attend either day

Registration: <http://www.muschealth.org/interpreter/registration.html>

Target Audience:

- Certified Medical Interpreters looking for CEUs
- ASL interpreters wanting to specialize in healthcare
- Any healthcare professional who wants to have a greater understanding of medical language in context.

WHAT TO EXPECT? The four sessions are entitled:

- **The Process:** Are They Really Letting Me Do This Unsupervised?
- **The Science:** Danger! Danger! Don't Get Any On Ya!
- **The Mechanics:** Can I Buy A Vowel?
- **The Switcharoo:** Things just got complicated...

1.6 CEUs will be offered for RID, CCHI, and IMIA certified interpreters. Workshop is presented in spoken English - ASL interpreters will happily be provided upon request. Please email interpreter request to interpretertraining@muscedu no later than January 4, 2019.

WORKSHOP PRESENTERS

- Heather Brown, M.S., PA-C, DFAAPA
- Anna McDuffie, B.S., CI & CT, NIC, SC:L
